Quote

The Eden Group would like to reassure its Bondholders that it is and continues to monitor the developments of the outbreak of the COVID 19 virus around the world and in particular in Malta.

The Eden Group is implementing a two pronged strategy;

- The safeguarding of the safety of our employees and our customers through various proactive measures and general increasing of hygiene regime's in our units,
- A business continuity strategy focusing on containing and reducing costs. Further measures may be necessary should the situation change.

The situation in tourism and in Malta in general is unprecedented and will have an effect on the performance of the Group for the year 2020, however it is still too early to tell the extent of the effect.

We will continue to monitor the situation as it unfolds and will take all necessary steps to minimize the impact.
