About GO p.l.c.

GO is Malta's first quadruple play operator, a truly converged and integrated communications and entertainment company with a wide range of services. As Malta's leading provider of telecommunications services, GO offers fixed and mobile telephony, broadband internet services, digital TV, in addition to business-related services including data networking solutions, IP services, managed services and co-location facilities. GO powers over 500,000 customer connections and services – thus making it the largest communications provider in Malta. GO has been in the business of communications for the past 30 years. GO owns a 51% stake in Cablenet, the fastest growing broadband operator in Cyprus.
